

Erratum to: Margenfeld F, Zendedel A, Tamborrini G, Polzer J, Naville M, Poilliot A, et al. A Scoping Review on the Utility of Ultrasound to Visualize Bursae in Anatomical Dissection Courses. International Journal of Medical Students. 2024;12(3):294-302

Executive Committee of the International Journal of Medical Students.

Errata

In the article "A Scoping Review on the Utility of Ultrasound to Visualize Bursae in Anatomical Dissection Courses" (Int J Med Stud. 2024;12(3):294-302; DOI: [10.5195/ijms.2024.2406](https://doi.org/10.5195/ijms.2024.2406)),¹ the surname and academic degree of the second author were incorrectly reported.

The author was listed as "Adib Zendeudel" with the academic degree "MD". The correct author name and academic degree are "Adib Zendedel, PhD". His affiliation remains Institute of Anatomy, University of Basel, Switzerland.

This erratum corrects the author information in the scholarly record. It does not change the authorship order, author contributions, or the scientific content, results, and conclusions of the article.
